Please support this historic institution through your membership or donation.

As a member or donor to the Puget Sound Coast Artillery Museum you are a keystone in our efforts toward preservation and interpretation of the Harbor Defenses of the Puget Sound, by the U.S Army Coast Artillery, Navy Harbor Entrance Control, and others.

Although Washington State Parks provides our Museum with a home at Fort Worden State Park, our non-profit operations are totally funded by donations, membership fees, museum admission revenue, museum gift shop sales, and the efforts of our volunteers.
